Guidelines for A Newark Rotary Grant

A thirty (30) day written notice is required for any request.

Grants are not automatically renewed. An application needs to be submitted within each fiscal year for which a grant is requested. The Rotary Year is July 1st to June 30th. Applications will be accepted July 1st through June 1st.

Typically, Rotary is interested in supporting targeted projects that address: health and hunger, peace and conflict prevention and resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy, economic and community development. Grants will **NOT** be awarded to the following:

- a) Organizations which practice any form of discrimination.
- b) Organizations whose primary focus is political lobbying or campaign of candidates for public office.

Rotary welcomes the opportunity to collaborate with other service organizations to advance specific goals consistent with the above.

Grant Applications are evaluated as follows:

- a) The grant is expected to have a group of beneficiaries and not just a single individual.
- b) The Community Service Committee will review all grant applications first and if approved, are sent on to the Board of Directors for review and action. Prior to Board review, a member of the Community Service Committee may be asked to conduct a personal interview with the applicant and then report back to the Community Service Committee. After the Committee's review and approval, it will be sent to the Board for consideration. All applicants will be notified either verbally or in writing of the Board of Director's decision in a timely manner. Those approved will be asked to attend a Newark Rotary meeting to accept the check.
