Speakers: DG David Hannan

We are proud to be the home club of this year's District Governor, Dr. Dave Hannan. He has been a member of our club for 33 years. Dave has been extremely active in so many club activities including chairman of the Service above Self committee. He will be hosting this year's conference in Niagara Falls.

Illustrated on the 'low tech' banner Dave explained how Rotary Connects the World - pointing out the little people holding hands around the globe. There are 220 countries in the world that have Rotary Clubs. The 1.2 million members has been holding steady for a while. We all have an obligation to get new members. Norma Reilly travels to small clubs in our district to help with Membership ideas and inspiration. Donna Johnson as our Membership chair is hoping to add 15 new members to our club this year. We call ourselves the "Premier Club in 7120" We cannot take that for granted. The 2nd Banner denotes the 34 zones - highlighting 3 important areas - membership, public image and doing good in the world. Dave encouraged us to use social media to promote our public image and Thanked John Zornow for his efforts in this area. our club's size of 100 members means we can have a great impact. Dave thanked Fred Hicks for his work as Foundation Chair. We should consider giving more to the foundation by becoming a sustaining member or a Paul Harris Fellow.

It's important to apply for grants. Recently we received a grant that provided a Customer Service desk for the Newark Library.

Lastly Dave talked about our #1 world wide goal of eradicating Polio. Presently Nigeria is 3 years out! The only 2 countries left are Afghanistan and Pakistan with 65 reported cases.

Dave left us with this thought - The ticket out of poverty is Education and Literacy. Dave is an inspiring speaker and again did not disappoint!!
