President's Announcements

Welcome back President Holly! Last Thursday was National Cheese Doodle Day. Bowls of this cheesy treat were on each table along with HAND WIPES. It was also Multiple Personality Day. We all filled out a Biography questionnaire in hopes to learn something new that we didn't know about our fellow Rotarians. Holly brought out the fund-raising Rotary Wheel - those from each table, picking the short straw, spun the wheel to learn their fate and their fine. Holly was happy to be back - feeling thankful for her board members that we acknowledged with a round of applause. She also acknowledged all Rotary Women with a carnation.

Club Announcements

JAN HENCE asks members to turn in their pancake ticket money as soon as possible. She is still short on Silent Auction items.

DAVE HANNAN talked to us about the effects of the Coronavirus - some local and international meetings may be cancelled. We hope we can still accept an exchange student from Japan. Words of advice - **WASH YOUR HANDS!**

GARY REILLY gave an update on **Camp ONSEYAWA**. This is a special needs camp for kids 8-16 organized by Rotarians in the four counties of Ontario, Seneca, Yates and Wayne. The camp is held every year in August. A carnival is held at the end of the camp week. Fred and I have enjoyed being a part of this event. Our club provides a ring-toss game with prizes for all who participate. This year they are hoping to build a

new shower house by the pool that our club was instrumental in providing. Gary encouraged members to come and take a tour and join the campers for a meal. You will be touched and inspired. The fundraising dinner is on October 17th at Club 86.

A golf tournament is also held every year to raise funds - fund raising can be FUN !

MEXICO WATER PROJECT

Linda Werts represented our club again this year in Mexico. 15 rural schools have received clean water drinking fountains in the last 5 years. Linda was pleased to receive and present to our club a thank-you plaque. More volunteers are needed for this on-going project. Think about going next year with Linda!

WELLNESS REPORT

Michele reported that Sharon SanAngelo will be having back surgery on March 16th. She is in quite a bit of pain. The surgery at Strong will involve 5 vertebrae and will result in approximately 3 months of recovery.

KREUSER UPDATE

President Holly brought us up to date on their recent travels. Marc and Holly are back from a Happy/sad trip to watch their son's last swim meet for Oswego. Ryan was the captain of his swim team and broke 4 school records over his 4 years at college. Marc and Holly were pleased to hear other parents praising Ryan's ability in positively affecting younger members of the swim team. Marc and Holly then enjoyed a much needed rest and relaxation in Hilton Head. On the way home at a stop in Buffalo a new member was unexpectedly added to the Kreuser family! (Not what you're thinking!) Finnian VT Kreuser (a golden retriever puppy) has joined the family to help Marc and Holly with their (TOO QUIET) household!
