Last Week: Tom Hawks

Tom is a member of the Naples Rotary. He came to our club to tell of his amazing journey with Pancreatic Cancer. He was diagnosed 10 years ago with stage 4 cancer. He has it in his pancreas, liver and back. It is hard to diagnose early - you may begin with only a back ache. Tom lost 75 pounds, had a overall body rash and lost his voice. He has had 2 major surgeries, 10 MRI's, various scans, chemo, radiation, shots and is presently on medical marijuana. Someone recommended that he join Rotary. He feels that the comradery was a huge help for depression and giving him a purpose helped to save his life.
