President's Announcements

Last Thursday was National BATHTUB PARTY DAY! Winners of the bathroom trivia game received exciting prizes of toilet paper and plungers. The average person visits the toilet 2,500 times a year - 6-8 times a day. Therefore, in an average lifetime we spend THREE YEARS on the toilet (in case you were wondering).

Holly was pleased to accept the Community Spirit award from Mike Muscolino at the Chamber of Commerce dinner.

Wellness Report

Two very active Rotarians are in need of our thoughts at this normally very active season of the year. Helmuth is still in pain and undergoing more scans. Bruce Chambers has fractured vertebra which he acquired when he fell putting up his Christmas lights.

Club Announcements

Ramon enjoyed his first Thanksgiving with his host family visiting a Victorian home in Buffalo. There was plenty of eating and cheering the Bills on to victory. He had a great time on the Senior trip to Washing DC. Last Friday he joined other exchange students on a trip to NYC. **Pat Albrecht** had poinsettias ready to be delivered to the 8 Rotarians who have been unable to attend our lunches this past year. Saturday, December 7th was the annual tree lighting ceremony in Newark's Central Park. Children talked to Santa and each received a book. Pat and other volunteers sold luminaries to support Laurel House. **Dave Doeblner** thanked this year's 29 Bell Ringers. Over \$1000 was collected for the Salvation Army. 90% of the money collected stays in Wayne Co. A special thanks to **Gary and Norma** for bringing hand warmers and candy canes! **Russ Harris** had us sign a card for Carson Jordan who is our exchange student in Slovakia.

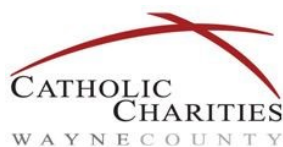

Happy Moments

MELISSA CORRIEA is pleased to have her daughter home for the holidays. She is very proud of her son in the Navy. He is receiving an award for saving the life of a service man on a 10K hike - quick thinking and the use of an Epipen! **JAN HENCE** was willing to pay a fine for her purchase of a new car. **GRACE NORCOTT** was impressed with **John Zornow's** knowledge of history, especially in regards to homes of her relatives in Newark. She also learned the story behind the round-bottomed kettle used to collect the Salvation Army funds - ASK JOHN - he is a fountain of historical information! **HOLLY KREUSER** was pleased to see an article in the Finger Lakes Times about the Newark Rotary Free Lunch Program. **NOT SO HAPPY MOMENT - STEVE TAYLOR** thought it would be fun to take his 2 granddaughters ice skating - Only \$4 to rent skates! After GRANDPA went down hard on the ice with his feet in the air the event ended at Urgent Care - 4 x-rays and prescription of Oxycodone. Days later the ER doctor agreed - "You must be in a lot of pain". Moral of the story - Don't try to keep up with the Grandkids!
