60 Second Introduction

Fred Hicks is 74 and has a history of playing Soccer that came to a bit of an end when he turned down the opportunity to attend the Pan American Summer games in St. Louis to take a summer job to save money for Dental School. His Soccer playing began in H.S. where he was selected to All

county. At the college of Wooster he was a starter at left wing with the honor of being All Ohio in his Jr and Sr year. Also in his Sr year he was 2nd team All American. He ran the children's summer soccer program here in Newark for 20 years.

Jean Bendix is 59 - born and raised in Walworth. Attending college at Ithaca and Grove City she studied

Vocal music. She almost met up with Fred at Wooster but decided to go elsewhere (hindsight). Her heart's desire was to go to Broadway. With her love of teaching music and raising a family she found her niche here in Newark. She taught Vocal music at Newark High School where I can attest the students

loved her.

Happy Moments

SCOTT HEALY - Scott was gone most of July. He went to Disney World in Florida where his daughter is working on a new Disney Resort. He was happy to announce that his youngest daughter is engaged. They celebrated a granddaughter turning 2 and are excited about the next baby due in 2 weeks.

MELISSA COREIA - A happy/sad moment was saying good bye to Eliana at her going away party. Exchange students truly become a part of your family. Melissa and her husband also celebrated their 23rd wedding anniversary in July.

MIKE MUSCOLINO - Mike and Sue's daughter Korrie has been living in Philadelphia for 12 years. She has been teaching Algebra at an intercity ALL BOYS school. Mike was very proud to announce that she has been selected out of many applicants to teach at the LEADERSHIP ACADEMY.

HOLLY KREUSER - Holly was pleased, after years of pleading, to finally receive her Peleton stationery bike from Marc.

CHRISSY KENT - Chrissy was happy to announce that her daughter placed #9 out of 355 in a recent bowling competition. She and Doug also celebrated their 15 yr anniversary.

DOUG FORGE - Doug was happy to attend his son's graduation from High School in Oregon where he lives with his mother.

HANNELORA AND HELMUTH - For 62 years these two have discovered how to have a successful and happy marriage. Helmuth explained that they promised each other that they would always go out on a date twice a week - so he goes out on Mondays and she goes out on Fridays !!! Hannelora especially likes their tradition of gift giving - yesterday Helmuth bought her a BMW!

JEAN BENDIX - Jean was happy to pay a fine for being married for 33 marvelous years.
