President's Announcements

Thursday was National Day of Encouragement. President Holly is back following her surgery and has first hand experience of receiving letters of encouragement. She passed out note cards and gave us time to write to someone who would appreciate such

a card. It was also National Chocolate Shake Day. A lucky person at each table won a gift certificate to the new ice cream shop at the "Erie Shore Landing". New members tickets will be paid for to attend the Eastern Cities Dinner on Monday September 23rd. The Speaker is RI President Elect Holger Knaack.

Nominations for the Service Above Self dinner are due by Sept 20th. The dinner on October 24th will replace our weekly lunch meeting.

Red Jacket Rotary is holding their annual Stomp out Polio 5K on Sunday, September 29th - 1:00 pm at Winged Pheasant Golf Links - \$30.

Speaker - Ben Jones

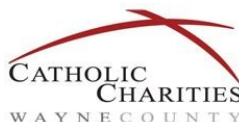

Ben Jones from Wayne ARC spoke to us about the project of "Erie Shore Landing". Ben has an MBA from St John Fisher. He is dedicated to his job of caring for people with Special Needs. Ben

is very emotional talking about his clients as the "sweetest, hardworking, happiest people he has ever known". Erie Shore Landing is located on the North side of the canal - including a cafe, ice cream shop and a gift shop (so far). A job coach in a training kitchen helps the workers to make cookies and all foods from scratch. They attempt to buy from local farmers. Ben is thrilled to work with Special needs people and help them become employable. Hannelora expressed her approval of the programs and reminded us that they are a very important part of our community. President Holly is excited to use the new conference room for some Rotary meetings.
