Last Week: Newark Interact

Newark Interact led our meeting. The program was presented by Emma and Elizabeth, our two RYLA students for 2018. They spoke about their experiences RYLA last summer. Emma helped out with the food for the week and Elizabeth put together the year-book. They learned leadership skills, completed team building activities and activities, learned how to be a follower and carried out physical activities. They had a final party which they organized. Emma and Elizabeth also played games and had dancing. They ended every day very tired, both physically and mentally. They thanked the club for the opportunity to participate in RYLA.

Happy Moments

Michele's granddaughter will be competing at the Summit cheerleading competition in Pennsylvania. Hannelora was glad to be back amongst her Rotary family. She and Helmuth also welcomed her first great-grandson, Oliver. Hannelora also told us that Emily had a very serious surgery, is doing fine, but is in some pain. Holly announced that Elliot has been a member of the NHS swim team which are League champions and her son Ryan is also on a swim league champion team at SUNY Oswego. Adam is looking forward to going back to Disney to make up a trip cut short. Roger spoke about his granddaughter's success on a fast pitch softball team. Norma and Reilly are happy to be back from their 31-day trip to the Philippines, although they were forced to spend 2 extra days in Hawaii due to the polar vortex in New York. Very rough!
