President's Announcements

Thursday the 26th was National Pancake Day. We enjoyed a lunch change up by having breakfast for lunch. It was also National Apple Day. Rotarians answering Apple trivia questions were able to win containers of applesauce.

Who knew that apples float because they have a volume of 25% air. This explains the tradition of bobbing for apples on Halloween. Each club committee has a budget for the year. If you have a request for

reimbursement print off a form and turn it in to Bruce with the proper documents. Prior permission for spending money needs to be approved by the committee chair.

Invitations for the Service Above Self Dinner will be coming in the mail. This dinner will replace the lunch meeting on October 24th.

Wellness Report

Helmuth Reinhardt continues to improve. No more ladder climbing PLEASE!

Yours truly is recovering from eye surgery. I missed my moment to get some use of my pirate eye patch - timing is everything. Thanks to my helpful husband for taking notes at this meeting.

Paul Harris Recognition

District Governor Dave Hannan presented David Christler with his Paul Harris plus 6 recognition. Dave reminded us that Mother Theresa was the first non-Rotarian to receive this recognition.

Eastern Cities Fellowship Dinner

President Holly was pleased with the large Newark representation at the Eastern Cities Dinner. Ramon was privileged to

go early for a meet and greet with the RI President Elect Halger Knaak. During the dinner Gary Reilly received the "Unsung Heroes Award" for his dedication and unselfish giving to Rotary. Gary was totally surprised! The RI President Elect gave a wonderful speech pertaining to membership. He talked about getting new younger members, possibly forming additional new clubs with alternative times and meeting places. Rotary is working towards being 30% women by 2023. Next year is the 95th year for this dinner - let's all consider attending.

Speaker - Eric Hooker

Steve Hallagan introduced Eric and his wife Doris. Eric is the curator of the Hoffman Clock Museum. The clocks have been housed in the Newark Public Library since 1950.

There are over 400 clocks now in the new wing of the library. Eric is in charge of any clock repairs needed. Bus tours actually stop in Newark to tour the museum. This is a little local treasure that we take for granted.

Happy Moments

Gary Reilly was pleased and surprised to receive his Unsung Hero award.

Kim Meeks is happy to be driving a new car and most pleased that her son is moving back to the area from Paradise California following the devastating fires. Kevin Mooney and his wife Lynne have returned from a wonderful trip to Canada.

Bob and Jean Bendix's daughter is engaged. Dave Christler enjoyed his Alaskan Cruise. Adan O. has returned from Vegas - I think we need more details!

Thank You to Our Sponsors!
