

NEWARK RISE

ROTARIANS IN SERVICE EVERYWHERE

January 31, 2019

Club #4798 District 7120

Bulletin Editor: Trudy Hicks

P.O. Box 374, Newark, NY 14513

Last Week: Frank Russell and the Shriners

We learned that Frank has talents-unlimited! He plays the tuba in the Tuesday night Central Park concerts. He was a judge for Social Security. He was a member of the Newark Players. He was a football referee for 19 years and played in the Rotary Band.

Today he explained the accomplishments of the Shriners where he is on the board of governors for the

Erie Pa. branch. Shriners began in 1872 when they held the first "master masons" lunch. In 1876 Rochester started it's own philanthropic group. The Shriners fund children's hospitals where families can bring their disabled children for care with no worries of payment.
