60 Second Introductions

ROGER GARY FRANCIS ALPHONSE VANDER-MORTEL (who knew) Roger is 69 years old. He worked for the State for 38 years. The boredom of retirement led him to a new job doing code enforcement and fire inspections for the Village for the past 15 years. He is also a member of the Elks Club and occasionally tends bar there if you are looking for a good 'Red Beer' (ask Trudy).

STEVE MOONEY - Steve was asked to test his memory about his childhood. His favorite board game growing up was Monopoly. His brother, past president Kevin, was always the banker and of course always won. Steve is a retired Dentist living with his wife Charlotte here in Newark.

Speakers: Scott MacDonell

Scott was a High School Principal and one of Rotary's Past District Governors. He is presently the District Membership Chairman and a member of the Clifton Springs Rotary. Scott

visited our Club today to talk about attracting new members. He praised our "premier" club for its ever growing large membership. We watched a video with Mark Maloney speaking on membership techniques. Four of our own members added their ideas to Scott's program. Dave Hannan remembered the importance being personally asked to join Rotary by one of his patients.

Norma Reilly recommended having a good membership committee interspersed weekly among the lunch tables. Kevin Mooney has taught membership development - "you need a plan". Donna Johnson is our membership chair hoping to add 15 new members this year. Marc Kreuser

Happy Moments

Jorge Bueso has 2 reasons to be happy this month. His daughter has graduated and will be attending SUNY Cortland in the fall. He and his wife are celebrating their 21st anniversary. Michele McManus

is wearing a smile driving her newly acquired dream car - a baby blue Mustang. Her son ordered her a license plate - "MUSTANG SHELLIE". Mary Jo Fenyn is bravely riding with Michele to Rotary lunches. Frank All will be paying some happy bucks for a LONG humorous story he dedicated to Helmuth. Ask Frank about "Patty Whack".

Wellness Report

Pat Albrecht reported that Alice Crespo is not doing very well following her surgery. The father of a Laurel House Aid was in a bad motorcycle accident requiring multiple surgeries. Sharon SanAngelo's son has been back in the hospital - unable to find the source of his cellulitis.

Laurel House has again lost their Director - Carol Jensen will help out in the interim.
