President's Announcements

Thursday the 19th was "Talk like a Pirate Day". The rules for the meeting were in Holly's e-mail. Those forgetting to talk like a pirate were fined a dollar. Rotarians who correctly answered the Pirate trivia questions won an eye patch and some butterscotch pudding(also

being butterscotch pudding day). Ask Ken George why pirates wear a patch over one eye - quite fascinating! **The American Legion asks us to refrain from parking in the NO parking Bartender's Area in the back of the building.**

Thank you to those who are planning to represent Newark Rotary at the Eastern Cities dinner.

We are looking forward to the SERVICE ABOVE SELF dinner on Thursday October 24th.

Speaker - Mark Brewer - Life Coach

Mark is a certified professional coach through the Institute for Professional Excellence in Coaching and is credentialed as an Associate Certified Coach through the International Coach Federation. Mark's background includes degrees and experience in Accounting and Finance, HR, ordained ministry and has a Masters in Sacred Theology Religious Studies.

As a group we took an awareness test, learning that with the power of suggestion we focused on one thing in Mark's video and actually missed the dancing bear in the background. A coach is not a consultant or a mentor. Mark has found that people have a fear of doing things that won't be accepted by others. In seeking a goal we need to remember "It's not what you GET but what you BECOME". Think outside the box - find new ways to describe yourself and your goals. In setting goals you need to know what you want in the following areas - confidence, fear, relationships, comfort zone, clarity and a desire to be better.

"THE GOAL IS TO DIE WITH MEMORIES NOT DREAMS"
